Fingerboards Mineral Sands Project Inquiry and Advisory  
Committee - EES

# 148

---

**Request to be heard?:** No - but please email me a copy of the  
Timetable and any Directions

**Full Name:** Lisa Davis

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** This is rape! Unwarranted, and unprotected! Kalbar should be jailed accordingly if they proceed! I feel sick to my stomach at the mere thought of it and so should they, along with the government that is supposedly elected to serve the people! Honesty, integrity and environment above all else, especially \$\$\$! You can't undo this!!!
