

Submission Cover Sheet

Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

256

Request to be heard?: No - but please email me a copy of the
Timetable and any Directions

Full Name: Johnno Townsend

Organisation:

Affected property: [REDACTED] Banksia Peninsula VIC 3875

Attachment 1:

Attachment 2:

Attachment 3:

Comments: My health, the health of several volunteer organisations, businesses, people, are all dependent on the health of the Mitchell River. This mine does not seem to have any good environmental controls, and in drought years would consume most of the Mitchell's flow. You can do better than this
