

Submission Cover Sheet

Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

289

Request to be heard?: No

Full Name: Faithe Best

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: This is not the time to be making farmers and wildlife's lives harder. The cancer killing dust alone should be enough reason to stop this. The history of this site should take more importance.
