

Submission Cover Sheet

Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

438

Request to be heard?: No - but please email me a copy of the
Timetable and any Directions

Full Name: Melissa Sharrock

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: I do not believe the mine should go ahead, protect our food bowl and beautiful environment, we need to love and nurture our land, not fill it with potentially toxic chemicals
