Fingerboards Mineral Sands Project Inquiry and Advisory  
Committee - EES

# 443

---

**Request to be heard?:** Yes

**Full Name:** Sarah Louise Little

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** 23rd October 2020 To whom it may concern, Based on the track record of Kalbar Limited and Kalbar Operations Pty Ltd Board members and senior staff, the ability of the mining proponent to operate within environmental and safety regulations is severely questioned. Evidence will be presented about the credentials of Kalbar management to operate this mine safely and within environmental and safety regulations given their past history in other businesses. Yours sincerely Sarah Little
