Committee - EES

# 746

---

Request to be heard?: No

**Full Name:** Jayne Weight

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** It takes thousands of years to lay down humus /organic matter to support growth and regeneration of our forests. No amount of token replanting after removing our forest for the mine will ever come close to healing the damage this mine will cause to this environment and all the environments supported by this area.
