Fingerboards Mineral Sands Project Inquiry and Advisory
Committee - EES

772

Request to be heard?: No

Full Name: Lisa Hine

Organisation:

Affected property: 225 Woodglen

Attachment 1:

Attachment 2:

Attachment 3:

Comments: Please do not let this mine go ahead. My parents have worked and lived in Woodglen for over 40 years. This is not the right location for a mineral sands mine. This will hurt so many families.
