Request to be heard?: No

**Full Name:** Sarah Loukes

**Organisation:**

**Affected property:**

**Attachment 1:**

**Attachment 2:**

**Attachment 3:**

**Comments:** This place deserves protection. My family and i grew up around on these lakes and they suppor flora, fauna, tourism, economy, wellbeing and indigenou connection. Destroy this and its lost forever. Destroy this and you lose history, environment, connection to land and financial support for those towns in Gippsland.
