Committee - EES

803

Request to be heard?: No - but please email me a copy of the
Timetable and any Directions

Full Name: Sarah Valentini

Organisation:

Affected property:

Attachment 1:

Attachment 2:

Attachment 3:

Comments: When will the government start to protect the land over pillaging it? Destroying the environment as well as the people's livelihood and right to live in an area that is unaffected by such horrific environmental damage should be made a priority. This is disgusting and should be overturned.
