Dear Amy,

In response to Direction 61a, we are instructed to advise that we will produce supplementary expert witness statements on the centrifuge proposal from all of the expert witnesses for whom we provided statements earlier this week.

In addition, we will also be providing an expert witness statement from Mr Ivan Salucik from Epac Pty Ltd. Mr Salucik is a mining engineer who will provide evidence on the centrifuge proposal outlined in Technical Note 1. Mr Salucik's business address is [REDACTED] West Perth.

We will respond to the correspondence from MFG earlier today before 4pm today.

Best regards
