Dear Mr Wimbush

**Fingerboards Mineral Sands Project Environment Effects Statement (EES)
Centrifuge**

We continue to act for Kalbar Operations Pty Ltd.

Response to directions - summary

Please find enclosed with this letter:

- Direction 27 – our client’s responses on the EES submissions summary;
- Direction 28 – our client’s responses to the IAC’s requests for information. Some of the responses refer to technical notes, all of which are enclosed except for Technical Notes 04 and 07, which have been prepared but are being updated to address the additional sensitive receptors identified by our client in responding to IAC’s Question 23. We expect these technical notes to be provided in the next couple of days; and
- Direction 59 – please find enclosed the documents listed below.

Direction 59 materials

The Direction 59 materials enclosed with this letter are:

- An updated (track change) Project Description (Chapter 3 of the EES); and
- Expert witness statement addenda for:
 - Karen Teague
 - Darren Billingsley
 - Dr Robert Loch
