Dear Amy,

I'm following up on issues itemised by Kalbar from public submissions to the Fingerboards EES Inquiry. My submission numbers (#488 & #724) were not listed next to quite a number of the issues which they had discussed. Please see details below.

I ran out of time towards the end to refer specific paragraphs [REDACTED]

Best regards,
Michelle Barnes

2.1 General

Issue 4 : Add submission #488 - multiple examples throughout most of this submission, which had a major focus on the natural environment and the impacts on farmers and nearby towns.
