**FOR THE ATTENTION OF NICK WIMBUSH, CHAIR**

Dear Amy

**Fingerboards Mineral Sands Project Inquiry and Advisory Committee (IAC)**

We continue to act for East Gippsland Shire Council in the above matter.

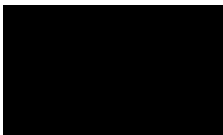

Please see attached for filing, the supplementary evidence statement of Mr Brett Lane of Nature Advisory in response to Direction 5.

We also foreshadow that we will be filing a supplementary statement from Associate Professor John Webb of Latrobe University in response to Direction 4. Unfortunately, there has been a delay and we will provide the report as soon as it is available, which we hope will be later today.

We confirm a copy of Mr Lane's supplementary evidence has been served on all parties on the Evidence Distribution List.

If you have any questions, please contact me.

Yours sincerely

Darren Wong
