Dear Mr Wimbush

**Fingerboards Project Inquiry and Advisory Committee – Filing of evidence**

1. We continue to act for Mine-Free Glenaladale (**MFG**).
2. We refer to Direction 4 regarding the filing of evidence on centrifuges, and to the Inquiry and Advisory Committee's correspondence to MFG dated 5 March 2021.
3. The DropBox link provided below contains a copy of the following expert witness evidence:
  - a. Supplementary Statement of Dr Jessica Drake (soil science / rehabilitation)
  - b. Supplementary Statements of Dr Julia Jasonsmith (tailings)

**DropBox Link:**

4. As a result of the incremental release of information on centrifuges, we advise that Dr Jasonsmith prepared two separate supplementary statements. For filing purposes, the two statements have been bound together to create one Supplementary Statement to Dr Jasonsmith's Expert Witness Statement of 19 January 2021 (as a PDF).
5. Please contact Nick Witherow [REDACTED] and Virginia Trescowthick [REDACTED] should you have any questions.

Yours sincerely

[REDACTED]
