Subject: Fingerboards - draft mine rehabilitation plan

EXTERNAL SENDER: Links and attachments may be unsafe.

Dear IAC and Parties,

Kalbar has updated its draft mine rehabilitation plan to reflect the proposed use of centrifuges. The draft mine rehabilitation plan is Appendix C to the draft work plan (Tabled Document 197). It's a large file so we have sent it to you via file share - please let me know if you do not receive the link.

Best regards

Kirsty Campbell | Senior Associate
