Dear Mr Wimbush

**Fingerboards Mineral Sands Project Environment Effects Statement (EES)
Proponent's responses to Direction Nos. 4, 26, 29 and 33**

We continue to act for Kalbar Operations Pty Ltd.

Our client's responses to the Inquiry and Advisory Committee's Direction Nos. 4, 26, 29 and 33 are enclosed.

Our response to Direction No. 4 is a provisional list of expert witnesses. As we are still reviewing and analysing submissions, it is possible that we may seek to add witnesses to this list. We will confirm this as soon as practicable, and well in advance of the due date for exchanging expert witness statements.

Yours sincerely,
